TEXTURIZING
VOLUME SPRAY

94% NATURAL
ORIGIN INGREDIENTS

VEGAN PRODUCT

Volume Spray

Strengthens hair volume with a touch of hold and creates trendy hairstyles.

Description:

Texturizing Volume Spray is a finishing product that has been specifically developed to give volume to the hair without damaging it. Its formula is Vegan and contains 94% Natural Origin Ingredients, making it a product that respects our hair and the environment.

Its Formula contains Orange Extract that helps to maintain hydration and provides a high antioxidant power that protects the hair.

It is ideal for giving volume and helping to fix finishes. Gives a natural and flexible hold.

Visible benefits and results:

- Helps to maintain hair moisture
- With antioxidant agents
- With a touch of hold
- Perfect volume and finish
- Natural and flexible look

Active ingredients and components:

ORANGE EXTRACT

Ingredient of natural origin. Contains vitamin C. Plus a rich blend of vitamins. Its properties help to maintain moisturizing and nourishment of the hair. In addition, it provides a high antioxidant power that protects the hair fibre from external factors.

Mode of use:

Apply the product to damp hair, distributing it evenly. Dry with hairdryer or naturally. For optimal volume effect, concentrate the product on the root area.

Presentation and formats:

- Bottle of 250ml → code 2209
 - o Box of 12 units
