REPAIRING HAIR

BALM

Description

An intensive leave-in hair treatment that deeply hydrates, nourishes, and repairs, leaving hair soft, shiny, and visibly stronger. Enriched with natural actives like rice oil, macadamia, and hyaluronic acid, it helps reduce breakage, control frizz, and make styling easier. Its antioxidant and protective action improves scalp health and strengthens the hair fiber from root to tip. Ideal for all hair types, especially dry or damaged hair.

Benefits of use and visible results

- Helps moisturize, nourish and repair hair.
- Helps increase hair strength.
- Significantly reduces frizz.
- Makes hair easier to comb.
- Helps give hair shine and silkiness.
- Helps reduce hair damage and breakage.

Active ingredients and components

- **RICE OIL:** With moisturizing properties that help combat dryness, and nutrients that provide strength and help reduce hair fibre breakage. Improves hair's shine and appearance.
- **VEGETABLE ACTIVE INGREDIENT DERIVED FROM OLIVE OIL:** Rich in antioxidants that protect the hair against external aggressions. It also has a soothing function against itchy scalp. Contributes to boosting collagen creation for thicker, stronger hair.
- **BETAINE:** A component extracted from beetroot, it strengthens the hair and protects it from heat damage. Increases the moisture retention capacity of the hair fibre, improving the shine and softness of the hair.
- **VITAMIN E:** Beneficial for the hair thanks to its antioxidant properties. It helps to promote good blood circulation in the scalp, thus increasing the vitality and strength of the hair and protecting it from damaging external factors.
- **HYALURONIC ACID:** Provides a highly moisturizing effect on the hair, preventing water loss and providing nourishment, restoring its natural texture and balance.
- **MACADAMIA:** This nut is a magnificent source of benefits for the good condition of the hair. It helps to make combing easier, thus reducing hair breakage. Leaving a shinier, silkier and smoother finish.

How to apply

Apply the product to damp hair in the middle and ends. Massage and comb through. Do not rinse.
