

**LIMPIADOR
CLEANER**
UTOPIK

Description:

Cleansing lotion, helps to remove traces of dye left on the skin after a colouring service.

Benefits of us and visible results:

- Improve the professional's work in finishing after the colouring process.
- Helps minimise skin irritation.
- Helps to maintain skin moisture.
- Helps to eliminate 100% of possible skin blemishes after the colouring technique.

Active ingredients and components:

D-PANTHENOL (VITAMIN B)

Component that helps to maintain moisture in the skin and hair, providing extra shine.. It also minimizes the irritation caused by rubbing.

SODIUM SULPHITE

Main ingredient for removing dry staining spots on the skin.

Application mode:

Pour the lotion onto a cotton pad and gently rub the area of skin stained by the dye until it disappears completely.

Presentation and format:

- 1 Utopik Cleaner bottle of 125ml. → CODE 6549
 - o Box with 6 bottles.
