

HI SILVER MASK

Definition:

Mask especially suitable for grey, white or bleached hair. The combination of active ingredients in its formula helps hydrate, soften, repair and nourish hair.

Its vegan formula contains a violet dye that neutralizes and eliminates the yellowish reflection of the hair caused by colour degradation and other external factors.

Benefits of use and visible results:

- Helps hydrate, nourish and repair hair.
- Its violet pigment neutralizes yellowish highlights.
- Achieves a purer white.
- Makes styling easier.
- Helps make hair silky and shiny.
- Makes hair look healthier and brighter.

Active ingredients and components:

BETAINE: A natural moisturiser which helps protect cells from environmental stress and specifically helps keep the hair hydrated. Providing hydration and protection benefits.

WHEAT GERM OIL EXTRACT: Wheat germ oil is a plant-based product that is directly extracted from wheat grains. It helps restore dry hair and works as a natural conditioner thanks to its concentration of essential nutrients, helping seal split ends and avoiding frizz.

HYALURONIC ACID: Provides a highly moisturizing effect on the hair, preventing water loss and providing nutrition, restoring its texture and natural balance.

How to use:

After washing hair with **SILVER LINECURE SHAMPOO**, apply a generous amount to wet hair according to its length. Leave it on for 5 to 10 minutes before rinsing thoroughly with water.

Precautions for use!

The use of gloves is recommended, as the shampoo may leave a residue on the hands. Always follow the instructions for use and the product label warnings. Do not mix with other products that are not recommended by the manufacturer. Keep out of reach of children. In the event of accidental contact with eyes, rinse immediately with plenty of water. Contact lens wearers should remove their contact lenses before rinsing their eyes. If irritation persists, consult a doctor or ophthalmologist.
