GEL FIX XTREM

Set your
hairstyle in
seconds!!

Description:

GEL FIX XTREM from the Hi Style line gives you an extra-strong high-definition finish, designed to achieve maximum hold and obtain modeled, daring and radical hairstyles.

Benefits of use and visible results:

- VEGAN formula.
- Extra strong holding power.
- Pleasant fruity smell.
- Improved formula density and texture for easier application.
- Developed for extreme hairstyles and a professional finish.
- The combination of its ingredients maintains the natural hydration of the hair preventing it from drying out.
- Pleasant fruity smell.
- It can be used perfectly, both on wet and dry hair.
- Excellent for resale in the salon, due to its daily use function.
- Attractive and functional container with an anti-drip cap. In its "upside down" position, it allows you to easily use of all its content.

Active ingredients and components:

- **Acrylic resins:** provide maximum hold, ideal for hairstyles that do not move, full of style and provocation.
- **Pro-vitamin B5:** conditions and hydrates the hair.

Strength of the Gel Fix Extrem:

1 2 3

Method of application:

Dose an amount on the palm of the hand and spread on wet or dry hair.

Presentation and format:

- 225ml anti-drip bottle. CODE 8239
