CURL CREATION

Take a chance,
melt and curl
your hair, try
new hairstyles!

Description:

Create new hairstyles and curls, giving shape, dynamism and movement to your hair with the **CURL CREATION** Curl Activator from the Hi Style line, the perfect ally for wavy or slightly curly hair. Maintains the natural hydration of the hair, anti-frizz effect, strong fixation and control in your hair.

Benefits of use and visible results:

- It activates the curl in wavy or slightly curly hair.
- It acts against frizz.
- Its active ingredients ensure a conditioning effect.
- Pleasant smell.
- It brings movement to hairstyles
- Excellent for resale.

Active principles and ingredients:

• **VP/VA Copolymer and Polyurethane-14 AMP-Acrylates Copolymer:** these are conditioners which form a flexible and resistant film, giving a natural appearance to the hair. In addition to providing fixation and definition to the curl, it brings shine.

Strength of the CURL CREATION :

Method of application:

Apply the necessary amount on wet or dry hair, spread evenly and dry with diffuser or naturally.

Presentation and format:

- 300ml anti-drip bottle. CODE 8251
- Box/Carton of 12 bottles
