EXTRA HOLD

STYLE FIXING HAIRSPRAY EXTRAHOLD

Description:

Spray with an exclusive formula with extra-strong hold, giving the hair flexibility and movement without weighing it down. In addition, the inclusion of specific active ingredients provide nourishment, conditioning and shine to the hair, preventing it from drying out.

Its micro-diffusion valve allows it to be distributed in tiny particles that provide ultra-fast drying and a perfect finish.

Benefits of use and visible results:

- Helps to nourish ensuring hair does not dry out with continued use.
- Fixes and defines any type of hairstyle without overloading the hair.
- Leaves the hair flexible.
- Gives hair extra shine
- Better finished hairstyles without frizz.
- Helps to give body and volume to fine hair.
- Easy to remove with a simple brushing.

Active ingredients and components:

AMPHOMER

This resin provides a strong hold but the final finish leaves the hair flexible. Does not leave residue.

POLYVINYL VITAMIN B COMPLEX

Provides a conditioning effect. Helps cracked hair to recover, making it shiny and soft.

CYCLOMETHICONE

Silicone that provides shine and conditioning.

FLORAL PERFUME

Floral perfume with notes of Rose, Lily and Lily of the Valley, fruity hints of Bergamot, Pineapple and Apple and Cedarwood and Vanilla base notes.
